

DEFIANCE SOFTBALL ASSOCIATION

2023 FUNDRAISING OVERVIEW

ABOUT

Defiance Softball has existed in the community for over 50 years, and incorporated as a non-profit organization in 2005. Our 100% volunteer run organization oversees the City of Defiance's softball program with age groups from 16u down to our coach pitch players in 8u. We also have junior high and elementary teams that participate in our spring and fall softball leagues. Additionally, Defiance Softball organizes the city's T-Ball League each summer for boys and girls ages 4-6. In all, Defiance Softball programs reach nearly 500 children annually. In addition to our local teams and leagues, our organization host multiple tournaments each year that brings dozens of teams from around the region to our community.

FUNDRAISING GOALS

Our fundraising goal is easily summed up in one statement: ALL funds raised are used directly for the youth that we serve in our community. Fundraising allows us to provide our participants with safe equipment, proper training supplies, and superior facilities to compete at.

Our current projects include replacing outdated catcher's equipment, re-surfacing of Field 5, upgrades to field lights, general field upgrades, sun shades for bleacher areas, and concession stand equipment replacement.

FUNDRAISING ACCOMPLISHMENTS

Most recently, fundraising support has allowed for new benches and concrete floors to be installed in each of the eight dugouts at Diehl Park, full renovation of batting cages, installation of irrigation, and the purchase of an infield grader.

From the scoreboards on each of the fields to the garage for equipment storage to the superior condition of our play fields... each of these, and so many more have been made a reality through the generosity of everyone who has supported our fundraising efforts.
